# 1940 INTRODUCTIONS

Listed below are five 1940 introductions from the gladiolus farm of Mr. G. W. Wilson, the originator of that grand champion—PEGGY LOU—Nuff Sed. Be sure and have these in your garden this year. You won't regret it.

---

## GRAY PHANTOM

**GRAY PHANTOM**—Shown but one time. Ohio, 1939. **BLUE RIBBON**.

A distinctively new shade in Glads. Orange, heavily overlaid gray, giving it a light brownish effect.

No doubt but this one will give Bagdad a real fight on the show table.

Florets 6½ in.; 20 buds; 7 open; 34 in. flower-head; 63 in. tall in the field.

(No large bulbs this year).

No. 4-5-6 size \$2.00 each. Bulblets 30c each.

## JULES AMOTT

One of the most beautiful red glads ever introduced. It will ride high on the show bench. Placed second to Peggy Lou in the large seedling class, Penn., 1937.

Clear, bright velvety dragon red. Self except for slightly darker shade on lip in the throat. Seldom a two-lip floret. Double row placement. 5 inch floret. 10 open. 30 inch flowerhead, 25 buds. Stands 70 inches in the field. Fine performer. Husky grower from bublets.

No. 1-2-3 size, \$3 each. No. 4-5-6 size, \$2 each.  
Bulblets, 30c each.

## MAMMOTH OHIO

**MAMMOTH OHIO** has been shown at only four shows, and at each show it was judged the glad with the largest floret of the show. This one will be in great demand for the shows.

From the large bulbs—8½ in. floret; 32 in. flowerhead; 20 buds; 68 in. overall. Clean, clear color, Indian Lake shading to Rose doree toward throat, cream lips.

No. 4-5-6 size bulbs \$2.00 each.  
Bulblets 30c each.

# MRS. RICHARD McGOVERN

MRS. RICHARD McGOVERN is a HONEY (to use a glad fan's expression).

Clear, rich orange scarlet with small red feather blotch over creamy yellow. Double row placement. Up to 12 open. 4 in. florets, 21 buds, 25 in. flowerheads, 52 in. tall. Mahoning, 1939, 1st; Ohio, 1939, 1st and 2nd in open class and 1st and second in the recent introductions.

Mr. J. H. O'Dell says, "think it is the most beautiful blotch I have ever seen."

No. 2-3- size \$3 each. No. 4-5-6 size \$2 each  
Bulblets 30c each.

## TREASURY GOLD

**TREASURY GOLD**—Winner of the American Home Achievement Award at Wellsville.

Grand Champion seedling spike of the show.

Rich gold color. Floret 6 in.; flowerhead, 34 in.; 25 buds; 68 in. tall in the field. Exhibition type.

Mrs. Richard McGovern and Treasury Gold are both real Glads, and should go places—Al J. Amsler, Sioux City, Iowa.

No. 1-2-3 size \$3 each. No. 4-5-6 size \$2 each  
No bulblets for sale.

---

## LAGUNA

C. G. Young

**LAGUNA**—A real addition to the smokey class. Its rich coloring makes it a standout in any garden. Usually grows to a height of 4 feet or better with about eight extra large wide open blooms. Fine propagator. If you like the dark rich colors, you won't be sorry when you get a start of this one.

Large \$5 each. Medium \$3 each.

Small \$2 each. Bulblets 40c each

10 items for the price of seven

## SOUTHERN MELODY

Originated by Lloyd O. Zimmer, who has given us Bob White, Dream of Beauty, Timbuctoo, Baron Munchausen and many others.

**SOUTHERN MELODY** is the type of Glad that the more you look at it the more you admire its soft blending colors. Deep yellow overlaid with rose blush, with deeper rose flaking.

A thrifty grower, usually 4 foot, with 6 to 8 large blooms open. The spikes are always straight. Makes nice looking plants which are very disease resistant. Fast propagator.

Any size bulb 25c each, 12 for \$2.50

Bulblets 10 for 25c

## WENONAH

Here is another new one from the Kinyon Gardens.

**WENONAH**—Exhibition type. 75 to 80 days, Salmon Pink. Will open 10 to 14 wide open florets closely placed but not too crowded. 4 foot spike. Flower head in perfect harmony. Fast propagator and every bulblet germinates. It will pay you to get a start of this one.

Wenonah was the winner of The American Home Achievement Award, The Michigan Horticultural Society Medal, Michigan Gladiolus Society Certificate and had the honor of being the highest scoring seedling at the Michigan Gladiolus Show.

Large \$1.00 each. Medium 90c each.

Small 80c each. Bulblets 10c—10 for 75c

## ZACATEY

Introduced this year by C. G. Young who gave us such outstanding Glads as Colonial Maid, Red Diablo, Crinkle Shell, etc.

**ZACATEY**—Massive ruffled milk white with cerise throat. Very heavy substance and velvety glistening texture. Opens eight or more well spaced florets. No crooked spikes or other bad habits. An outstanding new variety.

\$25.00 each, any size bulb.

Bulblets \$2.50 each (Not over 5 to a person)

## 1939 INTRODUCTIONS

### BOMBAY

**BOMBAY**—(Wilson) Would say this is a most pleasing color of smoky light old rose with light coppery tints and blue borders around all petals. Small velvety cherry throat blotch bordered slate. Florets  $5\frac{3}{4}$  inches. Wide open, no hood. Always faces one way, ruffled and heavily fluted and heavy substance. Spikes 60 inches long without a kink. Unique color effect sure to please the smoky fancier and exhibitor.

Large 60c each. Medium 40c each. Small 20c each.

Bulblets 5c; 12 for 50c

### COLONIAL MAID

**COLONIAL MAID**—(C. G. Young). (Exhibition and Commercial) A real lavender glad. Somewhat lighter in color than Minuet, but a very fine glad. Grows somewhat taller than Minuet and has better growing habits. Spikes are tall and straight with six to eight  $4\frac{1}{2}$  inch florets open, on a 20-bud spike. It seems to have everything that is required of a real glad.

Large \$2 each. Medium \$1.50 each. Small \$1.00 ea.

10—\$20

10—\$15.00

10—\$8.00

Bulblets 15c; 10 for \$1.00

## EMBLEM OF PURITY

**EMBLEM OF PURITY**—(Kinyon). Decorative. Ruffled pure white. There are no other Gladiolus that can equal this one for purity of color, performance and blooming ability. Will open 10 or 12 perfect round ruffled waxey textured blooms on medium tall stem. Won as a seedling in 1938, a first class award and The American Home Achievement Award.

Large \$2.50 each. Medium \$2 each. Small \$1.50 ea.  
Bulblets 20c each

## LAVENDER RUFFLES

**LAVENDER RUFFLES** (Wilson) In a color and type class all its own among lavenders. A delicately shaded lavender self, cream throat lightly peppered lavender, fine ruffling and well open, not hooded, petals slightly recurved at tips. Florets tightly fastened to strong slender stem. Bloomed the past season in 69 days. Lins Trial Gardens report—"Overall length 58 in. Head length 22 in. 6 open, florets 5½ 1 6 in. Foliage broad and healthy. We were unable to criticize it in any way." Will bloom from bulblets.

Large \$1 each. Medium 70c each. Small 40c each.  
Bulblets 10c each; 15 for \$1.00.

## MALAY CHIEF

**MALAY CHIEF** (Wilson) First in decorative seedling class, Pennsylvania Gladiolus Society Show 1938 in large class. Very deep purple red with glistening black sheen. Up to 4 in. floret, 18 buds, 58 inches tall. Opens eight or better. No hood. Very heavy texture. Strong stiff stems, always straight. Fine stretch of flower head without stem showing through. Fairly early. Heavy producer. A few off-face florets but otherwise a fine performer and show glad.

Large 60c each. Medium 40c each. Small 20c each  
Bulblets 5c—12 for 50c

## REFLECTION

**REFLECTION** (Kinyon) Exhibition type. Lavendar. This new glad has every quality demanded of a variety to make it a leader in popularity and of real commercial worth. The color, size, habits and general perfection will force this flower to the top. Clear lavender without any markings, flecks or lines. Florets round and of fine texture. Excellent keeper and shipper. Blooms in 85 days, grows to an average height of 5 feet with 6 or more well placed florets open. Fine propagation and germination of bulblets.

Large 75c each. Medium 40c each. Small 20c each.  
10—\$6.00                      10—\$3.40                      10—\$1.50

Bulblets 10 for 40c.

## ROSE OF MICHIGAN

**ROSE OF MICHIGAN** (Kinyon) Decorative rose-red. American Beauty Rose color. Six to eight well placed florets open on a very graceful stem. Foliage is dark blue-green. Average height about four feet. A real florist variety.

Large 75c each. Medium 40c each. Small 20c each.  
10—\$6.00                      10—\$3.40                      10—\$1.50

Bulblets 10 for 40c

# 1938 INTRODUCTIONS

## AMANDA

**AMANDA** is a deep salmon pink with a soft yellow throat which blends beautifully. Has six to eight 5 inch florets open at one time. Spikes tall and straight. Usually average 50 inch spike. Plants are very vigorous.

**AMANDA** bloomed in 60 days from large bulbs in our field this past year.

**AMANDA** is a very vigorous grower and produces a great amount of large bulblets. Bulblets germinate fine.

**Large \$2.00 each. Medium \$1 each. Small 50c each.**

**10—\$16.00**

**10—\$8.00**

**10—\$4.00**

**Bulblets 10c—10 for 80c**

## IOSCO

**IOSCO (Kinyon) Exhibition.** Color Ivory Buff. Will grow 6 feet high with 8 or more 6-inch florets open at once. Gigantic in every way as to height, florets, stem, leaves and buds. Bulblets growth very sturdy.

**Large 75c each. Medium 40c each. Small 20c each.**

**10—\$6.00**

**10—\$3.40**

**10—\$1.50**

**Bulblets 10 for 40c**

## PEGGY LOU

**PEGGY LOU (Wilson) Exhibition.** Very large flower of soft pink. A full sister of Picardy. This is a variety every glad grower should have. Last year (its first year) Peggy Lou received 41 firsts, specials and Grand Championship ribbons.

**Large 30c each. Medium 20c each. Small 10c each.**

**12 — \$3.00**

**12—\$2.00**

**12—\$1.00**

**Bulblets 10 for 15c—100 for \$1.00**

## RED DIABLO

**RED DIABLO (C. G. Young) Exhibition.** Medium red shading lighter to throat. Plain petaled type with wide open florets loosely placed on stem in perfect arrangement. Substance medium heavy. Glowing and glistening texture. Eight to ten 6-inch florets open. Excellent propagator and germinator. Suitable for cutting.

**Any Size Bulb \$5.00. Bulblets 75c ea., 10 for \$6.00**

## WHITE SPIRE

**WHITE SPIRE (Kinyon) Pure White.** A tall growing variety, the tips of the spikes standing 4 to 5 feet high. Five inch florets with 8 open on a strong straight stem. The color is a pure glistening white with no markings. 18 to 24 buds. White Spire may be cut tight in bud, yet it will open perfectly. Germination and propagation excellent. White Spire received first awards at the Indiana, Connecticut, Michigan and New England shows in 1938.

**Large 75c each. Medium 40c each. Small 20c each.**

**10—\$6.00**

**10—\$3.40**

**10—\$1.50**

**Bulblets 10 for 40c.**
